

MOVE OUT CLEANING CHECKLIST

- You are required to return the home empty and in a clean condition. *Cleaning issues will NOT be considered to be normal and wear, under any circumstances whatsoever.*
- If the home is not satisfactorily cleaned, has trash or abandoned items, appropriate charges will be deducted from your Security Deposit. If it is necessary to hire someone to clean the home, labor will cost much more than if you taken the time to properly clean the unit in the first place.
- You will be responsible for the cost of a **mandatory carpet cleaning**, which will be performed after you move out by a carpet cleaner of Landlord's choosing. You may choose to have it done yourself, however, you will need to provide a receipt showing the carpet was **professionally** cleaned. Renting a cleaner or using your personal carpet cleaner is not sufficient.
